

Tradeconnectt LLC Capability Statement

Core Competencies:

We reliably source, consolidate and deliver food and commodities through tailored solutions for each customer needs providing both efficiency and value-added benefits.

We have a unique and reliable broadline of fresh produce, fruits and other food related products that could help meet your business goals and fulfill the requirements of your daily operations.

Differentiators:

We are located in Connecticut, part of the Tri-State area, one of the most important areas of the Northeast of the United States, where we can provide superior services and deliver consistent, high-quality products to our customers every step of the way.

Since 2019 we operate with our own transportation fleet, ensuring the peace of mind that your orders will always arrive on time and in the best condition. Our professional team will make sure it is perfect every step of the way.
